Dear Mr Taylor

Your application for approval of training has now been assessed in accordance with Bylaw 12(C).

I am pleased to inform you that by September 1991 your training had satisfied in full the requirements of the training regulations.

Assuming that by September 1993 the remaining requirements of Bylaw 12 have been met, you may apply for transfer to the class of Members at any time after that date. Advice on the application procedures may be obtained from our Membership Section.

Please quote the date and reference of this letter in any subsequent correspondence concerning training. They should also be entered in Section C of Form M when you apply for transfer to the class of Members.

Yours sincerely

M J Elkins BSc CEng MIEE
Training Adviser
Qualifications Department
